

NEWS RELEASE

RETIREMENT OF DR ANDREW NGIAM AS GROUP CHIEF OPERATING OFFICER AND GROUP EXECUTIVE VICE PRESIDENT

Singapore, 16 October 2013 – Hyflux Ltd (Hyflux or the Group) wishes to announce the retirement of Dr Andrew Ngiam as Group Chief Operating Officer and Group Executive Vice President. Dr Ngiam, who was a member of Hyflux's Management Committee, was in charge of the Group's global projects execution.

Mr Wong Lup Wai, Group Executive Vice President at Hyflux, takes over the management of the Group's global projects execution portfolio in addition to his other responsibilities in manufacturing, quality, environment, health and safety, procurement, and membrane and systems marketing and sales.

The Board and management of Hyflux thank Dr Ngiam for his contributions to the Group.

-END-

About Hyflux

Hyflux is one of the world's leading fully-integrated water solutions companies, with operations and projects in Southeast Asia, China, India, the Middle East and North Africa. Hyflux is committed to providing cost-effective and sustainable solutions in seawater desalination, water recycling, wastewater treatment, including membrane bioreactor (MBR) and potable water treatment. Hyflux's track record includes Singapore's first water recycling plant and two seawater reverse osmosis (SWRO) desalination plants, and some of the world's largest SWRO desalination plants in China and Algeria.
